NOTES/COMMENTS:

Dear Examiner Pritchett:

I am faxing you a supplemental Amendment that cancels the previously withdrawn claims and also submits the certified priority document cover sheet (the document is mailed by first class mail today with the certified English translation). It is intended that the PTO 2038 included herewith authorize charging a credit card for the additional claims fee of \$300. A duplicate copy of the PTO 2038 was included with the first class mailing, but it is not intended to be used for charging purposes.

We respectfully believe that the submission places the claims in condition for allowance, and that no further searches should be done at this point in time.

Thank you in advance for considering this submission.

Sincerely,

M. Robert Kestenbaum
